

Welcome to Roux at Skindles' takeaway service.

Due to the popularity of our takeaway service during our closure over the past three months, Alain Roux has decided to continue offering a special menu with dishes available for you to enjoy in the comfort of your own home.

Meals have been designed with simplicity in mind and are freshly prepared for you to enjoy at home, without any hard work involved. You will find a selection of your favourite dishes as well as some new delicious surprises. All dishes are freshly prepared to order, made with the highest quality ingredients and ready for you to eat or reheat. Unfortunately, we cannot guarantee an environment completely free of allergens, so some ingredients may be present in our meals.

Simply place your order by phone or email, choosing either to collect in person or drive-thru, and we will give you an estimated time for collection (see 'lead times' below).

We look forward to welcoming you to Roux at Skindles and a huge thank you for your fantastic support.

Best wishes

Maxime, Raj and all the team
