

Covid-19 Message from Alain Roux

Updated January 2021

With the ongoing Coronavirus pandemic, Roux at Skindles is closed in line with Government national lockdown.

Although our doors remain closed, the good news is that Roux at Skindles @ Home takeaway service is available for you to enjoy your favourite dishes, in the comfort of your own home.

I would like to assure you that all government guidelines and best practices are being implemented and necessary risk assessments will be certified to validate our procedures. All practices and procedures will be updated in line with government guidelines. Full training of every member of staff has taken place and this is ongoing. Staff will be wearing facial coverings as well as taking a temperature check each morning before clocking in for work. Anyone exhibiting signs of Covid-19 will not be allowed onto the premises.

Guests will not be able to enter the building, and any takeaway orders will be placed directly into your vehicle without any contact being necessary. Should you be walking to collect your order, please arrive at the allocated time, press the bell, and we will place the takeaway bag on the table outside, ready for you to carry home.

It goes without saying that we are all in this together and I know that we can count on all our guests to take similar responsibility for their own safety.

If you have any concerns or questions you do not feel have been adequately covered in this message please contact us by email reservations@rouxatskindles.co.uk

Stéphane, Chef Raj and the team look forward to welcoming you once again when we can re-open, but in the meantime please enjoy our Roux at Skindles @ Home takeaway service.

Best wishes

Alain Roux
Director
