

Covid-19

Message from Alain Roux

Updated Wednesday 3rd August 2021

Most legal restrictions to control COVID-19 have now been lifted which means the 2 metre rule no longer applies and you are free to meet as many people as you wish.

The compulsory wearing of masks has been lifted and weddings can now be celebrated with all your friends and family etc

We shall be retaining the NHS QR code so guests can check in with the NHS COVID-19 phone app should they wish to however, it is no longer a legal requirement.

All the team at Roux at Skindles will continue with twice weekly lateral flow testing, reporting their results to the NHS and our administration office. Should anyone of the team test positive they will be asked to remain at home and self-isolate. Staff are also being encouraged to have the vaccine as soon as possible to protect themselves, work colleagues and guests. Face coverings will continue to be worn by staff until further notice.

We will continue the heightened disinfection to sanitise all areas of the Brasserie, front and back of house, and hand sanitiser will still be readily available throughout the building.

If you have any concerns or questions you do not feel have been adequately covered in this message please contact us by email reservations@rouxatskindles.co.uk.

Best wishes

Alain Roux
Director
